What is HawkHacks?

HawkHacks is one of Canada's biggest hackathons, made by and for students. Based at Wilfrid Laurier University, HawkHacks 2024 will be a 36-hour in-person hackathon, hosted overnight from **May 17th - May 19th, 2024!**

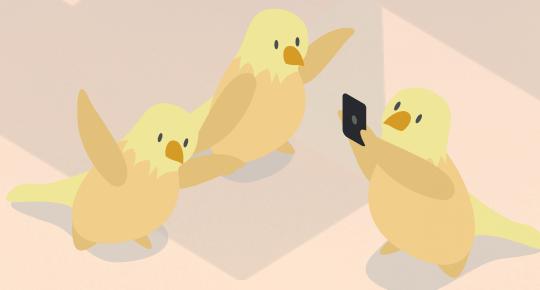

Waterloo Region boasts one of the globe's fastest-growing tech scenes, ranking second only to Silicon Valley in startup density. Here, innovation and entrepreneurship thrive. At HawkHacks, we're on a mission to ignite the potential of Wilfrid Laurier University's and the University of Waterloo's tech-savvy community by forging dynamic connections with leading global tech companies. Join us in shaping the future of tech innovation!

What did HawkHacks look like last year?

The first edition of HawkHacks back in 2022 was a major success!

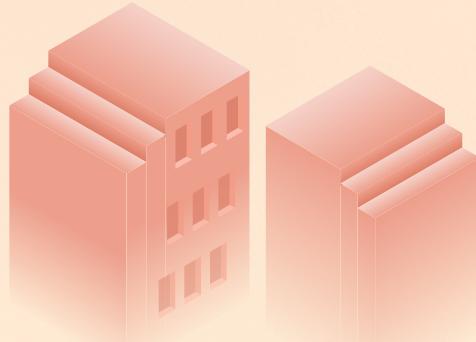

852 Registrants

750 Attendees

73 Projects

208 Schools

34 Countries

Why Sponsor HawkHacks?

With the previous statistics from the first iteration of HawkHacks, we hope to be an even bigger success, with a much more interactive and hands-on experience for our sponsors now that the event is in person

🎨 Branding & Marketing

HawkHacks is again projected to reach a **large student population** from within Canada and internationally.

💻 Recruitment & Platform Testing

You'll have access to a huge demographic of technically minded individuals, through **emails, resumes, bounties, or custom prize categories**.

😊 Interactivity & Exclusivity

You'll directly be interacting with students through **running workshops, giving away swag, running a sponsor booth and job fair, or even naming events and rooms** - a personal connection with students ensures students recognize and relate with your brand.
