# What is HawkHacks?

HawkHacks is one of Canada's biggest hackathons, made by and for students. Based at Wilfrid Laurier University, HawkHacks 2024 will be a 36-hour in-person hackathon, hosted overnight from **May 17th - May 19th, 2024!**

Waterloo Region boasts one of the globe's fastest-growing tech scenes, ranking second only to Silicon Valley in startup density. Here, innovation and entrepreneurship thrive. At HawkHacks, we're on a mission to ignite the potential of Wilfrid Laurier University's and the University of Waterloo's tech-savvy community by forging dynamic connections with leading global tech companies. Join us in shaping the future of tech innovation!

## What did HawkHacks look like last year?

The first edition of HawkHacks back in 2022 was a major success!

**852 Registrants**

**750 Attendees**

**73 Projects**

**208 Schools**

**34 Countries**

# Why Sponsor HawkHacks?

With the previous statistics from the first iteration of HawkHacks, we hope to be an even bigger success, with a much more interactive and hands-on experience for our sponsors now that the event is in person

## 🎨 Branding & Marketing

HawkHacks is again projected to reach a **large student population** from within Canada and internationally.

## 💻 Recruitment & Platform Testing

You'll have access to a huge demographic of technically minded individuals, through **emails, resumes, bounties, or custom prize categories**.

## 😊 Interactivity & Exclusivity

You'll directly be interacting with students through **running workshops, giving away swag, running a sponsor booth and job fair, or even naming events and rooms** - a personal connection with students ensures students recognize and relate with your brand.
